Business Arising From the Previous Minutes:

I Spoke to Bill Wilson of the Dargo Angling Club to notify him of the combined angling clubs meeting with DPI Fisheries Representatives. Bill told me that they had been applying for stocking of the rivers and streams in their area but without much success, although he did say that there is plenty of good fishing in the area if you know where to go.

Andrew Martin still has a vacancy for one person on the trip he had planed to Weipa.

General Business

DPI Combined Angling Clubs Meeting, Peter & Ian highlighted what was discussed at this meeting. I had trouble keeping up with what they said, and if you have had to follow my short hand then you will understand why I will not go into to much detail until the minutes are posted out soon. Here are some of the items discussed:

Japanese long line boats being followed by killer whales

DPI Fisheries officers have been out meeting local people on the water, creel survey information to released next meeting.

Bass are no longer reared in Victoria; this operation will now be carried out at Port Stephens NSW.

Flathead have been caught at Holland's Landing due to the higher levels of salt water

The DPI are looking at putting in Carp Cages to try to reduce the Carp numbers, these have been trialled in other areas and they work very well where there is a fish ladder or similar structure.

Reporting to 13 FISH is not use as much in the Gippsland area compared to the volume of calls generated in other areas.

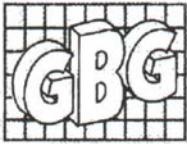

Soon there will be more fisheries officers in the Lakes area, and will be training more compliance officers.

Licola Trip:

Gavin will not be able to make it this year, Mick O'Brien offered to purchase and make sure the meat made it to the BBQ for Saturday night's meal

Peter asked if the Home & Leisure show was on this year, and as I had not been contacted by The Wellington Shire to take part.

Annual Dinner this year will be held on 11th December at The Duart Reception Rooms, Maffra.
