General Business

Club shirts.

John Utan is still looking at this item and will report back soon with a sample.

- . Domain Name renewal. Ray Clissold to renew,
- . The next committee meeting has been set for 14th July 2008. Venue to be GBG meeting room at 7.30pm. Main topic to be discussed will be our 20th year anniversary.
- . Ray Clissold has been asked to produce membership cards again and will try to get them organised as soon as possible.
- . Jack Groenewald has a good roll top desk for sale. If anyone is looking for one, please contact Jack.
- . It was mentioned that in the pics of Max, Chris and Pete with their fish from the Jindabyne trip shown in the last newsletter, none of them were smiling. Perhaps they were in shock ???
- . Ian Brideson gave a report on the Jindabyne trip. Mentioned was the fact that we were split up this year as some stayed at a different park because of costs. Perhaps we could work something out for next year that we would all be at the same accommodation. The BBQ lunch together was enjoyed by all but overall the fishing was a bit slow.

Fish Reports

Jindabyne....Dean – Jindabyne, couple of small fish in the Moonbah. Nothing caught on visit to Delegate.

Chris – 3 fish to 4.25 lb on fly and one on plastic.

James – 3 ¾ lb Brown and 2 Rainbows.

Jack – 4 Rainbows.

Gordon – 3 lb Brown.

Ian (Brack) – 9 fish to 4 ¾ lb.

Rick – Quite a few fish up to 5 lb from river and lake.

Meeting Closed: - 9.05pm

Show us your Fly for June won by - Mick O'Brien with Chris Vafiopulous second.

The Fly to Tie for the July 2008 Meeting is: "The Rubicon Belle"

JULY:

Rubicon Belle

(Australia's Best Trout Flies Page 67)

HOOK: Kamasan B045, #12-18

TREAD: Black

TAIL: Red cock hackle fibres

BODY: Squirrel blend dubbing, burnt orange, tied fine

HACKLE: None

WINGS: Tied across hook spent fashion in two parts, inner wing white Hi-Vis, outer edge dark dun Hi-Vis

THORAX: Black squirrel blend dubbing wound over wing base

Outer edge of wing should be tied sparse to represent the dark edge found on most of our orange spinners. Tie the wing as sparse as possible, trim and shape to suit. To float the fly treat the wing with a silicon-type floatant.

Any colours can be used with this tying method – another favourite is all black with white wings.

Left – Who needs a fly rod??

Below – I knew there was a reason I don't own a Sea Kayak.

Sitting in a 3,8-metre sea kayak and watching a four-metre great white approach you is a fairly tense experience

Please record your catch on the record chart and hand them in to the Weigh Master at the meeting
