If you have tried accessing the website over the past few weeks you may not have been able to.

Some changes have taken place since our old server died. We now we have a new one in its place, it is a more up to date computer running the latest Linux software. Our old connection to the internet has been upgraded to a very fast ADSL2+.

You should notice the difference, the website pages should open quicker and when downloading or viewing online content such as your newsletters it should take you a lot less time.

Licola weekend – Mick to ring Licola Bunkhouse and see about booking. At this stage we are trying for weekend of 9th to 11th October.

Next meeting – DVD Movie night. Pete Murray's latest trip to Cape York. Please bring a small plate to share. (A big one if it's cream cake).

Envelopes with club emblem – Dean to organise a box or two.

Mick advises the Weighbook is now with Chris and that very few entries have been registered. Please register your captures ASAP.

Fish Reports

Dean – Bemm River. Several Salmon from the beach up to 2kg.

Gavin – Jindabyne. One fish to 1kg.

Meeting Closed: - 8.35pm
