General Business

The Wellington Community Expo – Celebrating national families week

Is to be held on Sunday 17th May between 10am and 2pm.

The SFFC has a trestle table organised and invites all members interested to come along and bring your fly tying gear. Some fishing albums or photos would be good and maybe a rod or two. Some chairs will be available but note sure how many. Please contact Neil Morrison on 0409 808 735 bh if you can come along.

Sale Community Sports Club are to incorporate with the Sale Bowls Club in the future and this means we may have to shift to a new venue. Will keep you posted.

Jack to fix problem with Pete Murray's Centenary shirts.

Dean to print more pamphlets for both Sale Bait Shop and the forthcoming expo.

A Recreational Fishing Forum is to be held at Traralgon on Wednesday 13th May. The forum will discuss a marine stocking program for Victorian Coastal waters in our area as part of the government's election commitment. If anyone has specific ideas on what we want stocked and where in our marine waters please contact the secretary asap so that we can put these ideas to the forum. NSW already has a trial stocking program of Eastern King Prawns and Mulloway in their estuaries and I suggest we could certainly use a few thousand Mulloway in places like Lake Tyers and the Gippy Lakes. Ring the secretary with your ideas.

Anyone looking for accommodation for the forthcoming trip to Jindabyne can access the Snowline Caravan Park website through the "http://www.discoveryholidayparks.com.au/nsw/snowy_mountains/jindabyne" site. We will discuss this at the May meeting.

Next fishing trip will be to Mclachlans Beach on 3rd May if the Salmon have started to come in.

Accommodation at "Glengarry" on the shores of Jindabyne was discussed but we probably have more people going on this trip than be accommodated there.

Fish Reports

- . Dean – Merrimans Creek – Sighted heaps of fish after the fires but caught none!
- . John/Mick - Macalister – 5lb swamp trout (carp).
- . Brack/Steve – Valencia Creek – 30+ smaller fish to 32cm
